# BOOKING FLOW

## Booking Received :

Once we received a Booking Confirmation from our travel partners, immediately the operations team issues "Booking Confirmation Voucher/Itinerary" via online group travel planner and share it with our Travel Partners.

## The "On Tour Support" :

Sometimes we have seen due to traffic conditions or any operational reasons ; pick up delayed ; tour cancelled ; many other unavoidable instances happen with clients during tour and the first point of contact for the client becomes his "Booking Agent ".

But with Canvas Vacations , a dedicated Team of Guides, Local Co-Ordinator and a separate member assigned for "On Tour Support" solves all issues of your clients on spot ,creating a memorable experience for your clients.

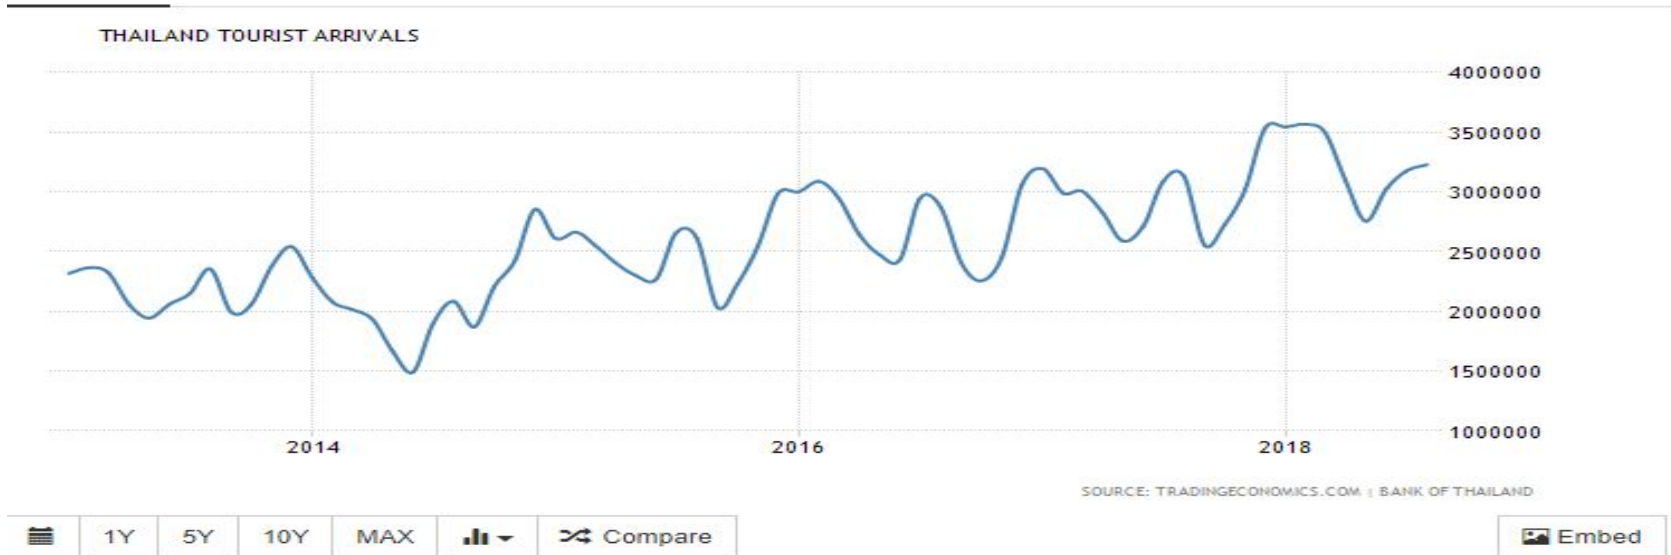

## What's Next ?

The online group travel planner updates each and every member of the team about the upcoming trip and a dedicated "Reservation Team" does their job.

24 hours prior to arrival all details are cross checked and job assigned to Airport Rep., Drivers for Pick Up and other associated members.
